This cookie policy should be read together with our privacy policy and our terms and conditions. By using the website, you accept the use of cookies by VanTrap OÜ, in the terms contained in this policy.

1. WHAT ARE COOKIES?

Cookies are small text files that are stored on your computer or mobile device when you visit a website. They allow the website to recognise your device and remember if you have been to the website before. Cookies are a very common web technology; most websites use cookies and have done so for years. Cookies are widely used to make the website work more efficiently. Cookies are used to measure which parts of the website users visit and to personalise their experience. Cookies also provide information that helps us monitor and improve the performance of the website.

2. COOKIE SETTINGS

If you do not want cookies to be dropped on your device, you can adjust the setting of your Internet browser to reject the setting of all or some cookies and to alert you when a cookie is placed on your device. For further information about how to do so, please refer to your browser 'help', 'tool', or 'edit' section. Please note that if you use your browser settings to block all cookies, including strictly necessary cookies, you may not be able to access or use all or parts of the functionalities of VanTrap OÜ. If you want to remove previously-stored cookies, you can manually delete the cookies at any time. However, this will not prevent VanTrap OÜ from placing further cookies on your device unless and until you adjust your Internet browser setting as described above. We provide the links for the management and blocking of cookies depending on the browser you use:

3. FIRST-PARTY COOKIES

We use cookies to enhance the performance of our website and personalise your online VanTrap OÜ experience. Cookies help us to collect information on how people use our website and which pages they visit. They enable us to monitor the number of visitors and to analyse website usage patterns and trends. We collect this information anonymously, so it does not identify anyone as an individual and no personal information is stored in our cookies. We always use cookie data in a responsible way.

4. THIRD-PARTY COOKIES

Third-party cookies may come from partners or third-party companies that provide functional web services or tools for our website and the optimal functioning and operation of our services. We use third party cookies responsibly and for the sole purpose of providing optimal functioning of the platform and services. You may opt out of these cookies by following the cookie removal information contained in this document or the technical information of the browser from which you access our website and services.

5. PURPOSES OF OUR COOKIES

Our cookies are used for the following purposes: **Strictly Necessary:** These cookies are essential for VanTrap OÜ to perform its basic functions. **Security:** We use these cookies to help identify and prevent potential security risks. **Analytics and Performance:** Performance cookies collect information on how users interact with our website, including what pages are visited most, as well as other analytical data. We use these details to improve how our website functions and to understand how users interact with them. **Advertisement:** These cookies are used to display relevant advertising to visitors using the website, as well as to understand and report on the effectiveness of ads served on our website. Advertisement cookies track details such as the number of unique visitors, the number of times specific advertisements have been shown and the number of clicks the advertisements have received. These cookies are also used to create user profiles, such as showing you ads based on content you have viewed on our website or other websites. These cookies are set by the website and trusted third party networks such as Google and Bing and are

typically persistent in nature. **GOOGLE Analytics.** We use Google Analytics provided by Google, Inc., USA ("Google"). These tool and technologies collect and analyse certain types of information, including IP addresses, device and software identifiers, referring and exit URLs, feature use metrics and statistics, usage and purchase history, media access control address (MAC Address), mobile unique device identifiers, and other similar information via the use of cookies. The information generated by Google Analytics (including your IP address) may be transmitted to and stored by Google on servers in the United States. We use the GOOGLE Analytics collection of data to enhance the website and improve our service.
